Subject: Request for correction in Marks Statement

Dear Sir,

With due respect I would like to state that I

NAME: AZAD HUSSAIN
Roll: **1125610006**
Course: B.Tech (CSE) [2011-2015]
College: DNS College of Engg & Tech (256)

1. There was 2 (Two) back in my 4th (Final) year regular exam 2015 result.

I appeared for both the paper (ECS-702 & ECS801) in the Special CO exam 2015 held with Regular Odd semester Exam Dec 2015.

But when result published,Result of ECS-702 was pass and ECS-801 was on hold due to some unknown reason. Then I forwarded application with copy of attendance sheet the Result of ECS-801 has been also updated but not with back results it was updated in old regular result.

Please Refer Attached marks statement #1

But Right now in one view result it stating the result as PWG instead of PASS and not accounting the marks of ECS-801 CO Exam result.

Please Refer Attached Marks Statement #2

2. In the complete academic session of B.Tech, I have only 1 back right now in EAS-203 having 17 marks. And according to new rules for grace mark. I am eligible to get GRACE.

So,I request you to do the needful for

1. Updation of the correct status in 4th year result that is From PWG to PASS accounting the marks obtain in ECS-801.

2. Updation of 1st Year Result Status From PCP to PWG granting GRACE according to new rules.

3. Update the Division as per the university ordinance.

So as I can get provisional/Degree and move further on my career. Kindly look over the matter.

For this I will be always grateful to you.

22nd oct 2016

Your Truly,
Azad Hussain
